

ONLINE COMPLIANCE

The good news is that we are continuing our existing low member in price in 2018 at \$165 (incl GST) per person / per annum for unlimited access to all online Continued Biosecurity Competency (CBC) and Continuing Professional Development (CPD) courses available at www.ComplianceNetFTA.com.au

NOTE - trial access and further discounts are available for business members looking at bulk purchases.

Continued Biosecurity Competency (CBC)

Based on preliminary discussions with the Department of Agriculture and Water Resources, it appears likely that there will be three (3) CBC sessions in the next accreditation period - an "information" session and separate "activities" for 19.1 NCCC and 19.2 AEPComm Approved Arrangements.

NOTE - FTA will make all CBC courses available during April 2018 and available online via www.ComplianceNetFTA.com.au

Continuing Professional Development (CPD)

Following the 2017 licensing review conducted by the Department of Immigration and Border Protection, we can confirm that the current 30 CPD point requirement will continue for the foreseeable future.

NOTE - FTA will continue to grow our already extensive library of courses and online assessments across both Stream A and Stream B via www.ComplianceNetFTA.com.au
