ACROSS BORDERS

As Australia's peak trade alliance, we proudly present to you the "Across Borders" magazine.

Freight & Trade Alliance (FTA) is Australia's leading representative body for the international supply chain sector bringing together importers, customs brokers, freight forwarders and logistics service providers.

The Australian Peak Shippers' Association (APSA) is the peak body as designated by the Federal Minister of Infrastructure and Transport performing a vital role in protecting Australia's export supply chain.

Together we form an influential advocacy alliance ensuring that our members are at the forefront of all emerging supply chain issues through our responsive operational support, professional development training, industry updates, commercial services and corporate events.

Across Borders is published seasonally (Summer, Autumn, Winter, Spring). In addition to the printed version, the magazine is also available for viewing and download from the FTA / APSA web site.

Across Borders provides:

- a valued source of information to keep industry up to date with what's happening in Australia and across borders covering diverse topics on border, security and biosecurity reforms; and
- technical and legal matters, international and domestic transport reforms and strategies to assist businesses to achieve "best practice" operational outcomes.

Across Borders is distributed to:

- FTA and APSA members being some of the most progressive and business-savvy entities in the Australian freight and trade sectors;

“

Keeping Australia's International Trade Moving

”

- industry leaders across export and import sectors, international freight forwarding, transport, express carriers, shipping line and airline operations; and notably managing directors, forwarding / customs broker managers and logistics professionals;
- port / airport operators, stevedores, cargo terminal and depot operators; and
- key stakeholders including representatives from across state and federal government.

BORDER REFORMS

FTA takes a lead on cross-border e-commerce issues

By THOMAS BRIDGES, SENIOR EDITOR, FTALIAANCE

In Australia, e-commerce is expected to reach \$10.5 billion in 2015, up from \$7.5 billion in 2014. This growth is expected to continue, with e-commerce sales projected to reach \$15 billion by 2020.

The Australian Government has taken a lead on cross-border e-commerce issues, with the introduction of the E-commerce and Digital Trade Reform Package in 2014. This package includes measures to improve the regulatory environment for e-commerce, such as the introduction of the E-commerce and Digital Trade Reform Package in 2014.
