**Partners are approved WTG Partners who share in the cost of development and sales and marketing costs of BorderWise.
 Please contact the BorderWise Support team for an updated list of approved WTG Partners for BorderWise.

<p>Conditions: -</p> <ul style="list-style-type: none"> - The above fees will be charged per registered user for each full month or part thereof that a user is registered - Once a user is deregistered, the reduction in charges will be effective in the next full month in which that user is no longer registered - Licenses are linked to specific devices with users being allowed a maximum of two (2) devices linked to the one License. Users will be charged for the highest edition selected across all devices during the billing month. - Additional Licenses linked to the same Registered User cannot be used simultaneously. - Users are permitted five (5) relocations of Licenses between devices per month via the BorderWise application. - CargoWise One Users Only: For customers already using CargoWise One, the standard discounts will be applicable to any BorderWise fees in line with the standard conditions for each discount noted on the latest WTG published pricelist. BorderWise will count towards incremental usage units for volume discounts. For the avoidance of doubt, standard discounts include the Volume Usage, CargoWise Cloud Hosting, Commitment, Prepayment, CargoWise Industry Partner, Development Partner, Certified and the Developing Country/Region Discount. - A local service and administration fee applies to customers who are issued their BorderWise invoices from the local WiseTech legal entity, and constitutes a surcharge of 5%. Currently we offer this arrangement in Taiwan, mainland China, South Africa, Brazil and from time to time will make this available in other countries. - The conditions are subject to change with 30 days notice. - Please note that BorderWise is supplied in accordance with the BorderWise Application Suite (BorderWise) Terms and Conditions, a copy of which is available upon request.
