**Conditions: -**

- The above fees will be charged per registered user for each full month or part thereof that a user is registered
- Once a user is deregistered, the reduction in charges will be effective in the next full month in which that user is no longer registered
- Licenses are linked to specific devices with users being allowed a maximum of two (2) devices linked to the one License. Users will be charged for the highest edition selected across all devices during the billing month.
- Additional Licenses linked to the same Registered User cannot be used simultaneously.
- Users are permitted five (5) relocations of Licenses between devices per month via the BorderWise application.
- Cargo Users Only: For customers already using CargoWise, standard discounts are applicable to any BorderWise fees in line with the standard conditions for each discount noted on the applicable published pricelist. BorderWise will count towards incremental usage units for volume discounts where applicable.
- A local service and administration fee applies to customers who are issued their BorderWise invoices from the local WiseTech legal entity, and constitutes a surcharge of 5%. Currently we offer this arrangement in Taiwan, mainland China, South Africa, Brazil and from time to time will make this available in other countries.
- The conditions are subject to change with 30 days notice.
- Please note that BorderWise is supplied in accordance with the BorderWise Application Suite (BorderWise) Terms and Conditions, a copy of which is available upon request.
