Continuing Professional Development (CPD)
BORDER COMPLIANCE PROGRAM

DELEGATE PACK 2026

CONTENTS

COMPETITION STATEMENT

The Australian Competition and Consumer Act strictly prohibits anti-competitive behaviour.

This is behaviour that limits or prevents competition.

Examples of anti-competitive behaviour prohibited under the Act includes:
- contracts, arrangements or understandings that are likely to substantially lessen competition in a market;
- agreements by businesses with their competitors to fix prices, rig bids, share markets or restrict outputs;
- acting collectively with competitors when making decisions about pricing, which firms they do business with, and the terms and conditions of doing business.

Participants at Freight & Trade Alliance (FTA) **Border Compliance Program** events are prohibited from discussing with competitors pricing, tenders, terms of supply and any other commercially sensitive information that may be connected with anti-competitive behaviour.

If you hear such conversations, please report them to the FTA host. People involved in any such conversation with be required to leave the session and in serious cases, we will have to terminate the event.

2026 /2027 CPD REQUIREMENTS

Congratulations, your attendance at our Border Compliance Program provides you with 23 CPD points (14 points in Stream A and 9 points in Stream B).

Please note:

- you require a **MINIMUM of 30 CPD points** this period (1 April 2025 to 31 March 2026) with a **MAXIMUM of 12 points in Stream B counting** towards your total;

- you will again have to complete a **MANDATORY** course as set by the Australian Border Force and for those that have Approved Arrangement class 19.1 Non-commodity for Containerised Cargo Clearance (NCCC) and/or class 19.2 Automatic Entry Processing for Commodities – AEPCOMM), you may need to complete **Continued Biosecurity Competency (CBC).**

- We anticipate the ABF Mandatory CPD session will again be 3 CPD points in Stream B with the CBC again likely to attract 2 CPD points in Stream A. We are awaiting further detail as to quantum of point / stream allocation and when these courses will be available; and

- by attending the Border Compliance Program, FTA offers you **complimentary access** to MYFTACPD to complete any additional CPD courses and the CBC assessment (once available).

CPD ATTAINMENT STATEMENT

Your **attainment statement** is available online (including all CPD content completed via FTA online and in-person)

1. Login via MYFTACPD HERE (your username starts with "FT")
2. Click on your name at the top right-hand side of the page
3. Click on 'Manage Account'
4. Click on 'FTA Attainment Statement'
5. Select the CPD period
6. Click download

Please note, allow **one week** after completing the Border Compliance Program event for records to be uploaded.

If you have misplaced, wish to change/re-set or need to setup your password or retrieve your username, please use the "reset and recovery option" under "Trouble Logging In" - HERE

Check junk email folder for recovery/reset emails then follow the prompts.

FOR FURTHER DETAIL, PLEASE REFER TO OUR DEMONSTRATION VIDEO AVAILABLE HERE

SPONSORS

Freight & Trade Alliance (FTA) would like to recognise the following 2025 Border Compliance Program event sponsors:

CargoWise

CargoWise is a single source, deeply integrated and truly global platform designed to meet the diverse needs of the logistics industry. CargoWise enables customers to execute highly complex logistics transactions and manage their operations on one database across multiple users, functions, offices, countries, currencies, and languages. A highly flexible and feature-rich system, CargoWise delivers powerful productivity, extensive functionality, comprehensive integration and deep international compliance capabilities for businesses of all sizes. To find out more about CargoWise, please visit www.cargowise.com

Salta Properties

The Nexus Industrial Precincts in Dandenong South and Altona will feature intermodal hubs, enabling Salta to develop pre-lease distribution centres and warehousing facilities of any scale. Rail links to the Port of Melbourne will help companies reduce container freight costs, improve time efficiencies, and achieve notable ESG benefits. Additionally, both intermodal hubs also provide direct access to the Port via VicRoads-endorsed Road corridors for High Productivity Freight Vehicles (HPFVs) or traditional road freight, as well as access to regular port freight rail services.

Compliant Customs

Compliant Customs is Australia's only 100% wholesale & 100% neutral Customs Brokerage. Servicing Freight Forwarders & retail Customs Brokers exclusively. Clients enjoy the full range of services provided by an in-house customs team for a fraction of the cost. Compliant Customs deliver customs solutions to our clients so they can focus on their core business - delivering supply chain solutions to theirs.

UBEECO

When choosing UBEECO for your packaging needs, you'll be joining many other FTA and APSA members by working with the premier company in Australia in managing industrial packaging. Their skilled team are dedicated to delivering the most effective packaging solution for your goods – no matter how large or small – no matter what your destination or mode of transport. This is why UBEECO is recognised as Australia's premier "Project Managers of Industrial Packaging".

ACFS Port Logistics **: Redefining Excellence in Supply Chain Solutions**

Andrew Christie Consulting

A Biosecurity Facilitation Specialist providing Importers, Exporters, Customs Brokers, Freight Forwarders and Approved Premises assistance with Biosecurity compliance and training of imported and exported cargo.

An ICTSI Group Company

Victoria International Container Terminal (VICT)

Victoria International Container Terminal (VICT) operates Australia's first fully automated container terminal at Webb Dock East in the Port of Melbourne. VICT can service larger vessels of 9000+ TEU and delivers an annual extra capacity of 1.25 million TEU with room for a large expansion of this as trading volumes grow. In addition, VICT has a significant number of custom-built racks for refrigerated produce (reefers) serviced 24/7 by dedicated, onsite engineers. VICT also offers on-wharf Rural Tailgate inspection. VICT continues to set the global benchmark in port automation.

Fremantle Ports

Fremantle Ports is the strategic manager of the Port of Fremantle and a Government Trading Enterprise owned by the Government of Western Australia. It operates across three precincts: North Quay in Fremantle where container, break-bulk and motor vehicle imports are the major trades, but also the Kwinana Harbour, where there are five separate facilities handling dry and liquid bulk. The Kwinana Bulk Terminal and Kwinana Bulk Jetty are both directly operated by Fremantle Ports, while the others are Bp, Alcoa and Cooperative Bulk Handling's facilities. Fremantle Ports' third precinct is Victoria Quay in Fremantle, which continues to facilitate break-bulk and motor vehicles, as well as the emerging waterfront precinct at the quay's west end. The Port of Fremantle is Western Australia's only dedicated container port
